

Access Statement for Lyme Townhouse in Lyme Regis

Introduction

We aim to cater for the needs of all who visit the Lyme Townhouse. Lyme Townhouse is a Grade II listed and whilst we aim to meet the needs of all our guests there are some period features which might make access difficult for people with limited mobility.

Lyme Regis has steep hills and we are located 300m from the sea on a steep hill and have rooms at different levels. Lyme Townhouse is not suitable for wheelchair users. However, we have 7 guest bedrooms, 1 of which is on the ground floor. The toilet & shower are en-suite and the shower has a low profile shower tray. The 6 other bedrooms are all on the first floor.

- We are located on Pound Street just off the town centre of Lyme Regis. We are located on one of the main street, which has reasonable public transport access.
- The nearest shops are approximately 100m away.
- The nearest bus stop is 75m. Buses only run hourly and the service stops in the evening.
- The nearest railway station is Axminster which is approximately 5 miles away. Taxis are usually available at the station.
- Parking available either across the street (maximum 1 hour) or 70 m up the hill at the Holmbush Car Park (2 GBP for 24 HRS)
- We are happy to offer assistance with luggage if needed.

The Guest House is located on the hill and has no steps at the entrance. There are steep steps leading to the first floor and reasonably low ceilings, which is a period feature.
